Support Using the Congressional Review Act to Overturn the NLRB's Final Joint-Employer Rule

Dear Member of Congress:

The undersigned organizations, on behalf of a diverse group of workers, small businesses, and critical sectors of our economy, write in strong support of H.J.Res.98/S.J.Res.49, a joint resolution of disapproval under the Congressional Review Act to nullify the National Labor Relations Board's (NLRB) Final Rule on Joint-Employer Status. This misguided rule will harm millions of workers and small businesses across the country, and we urge you to vote to protect your constituents from the NLRB's overreach.

Issued in October 2023, the NLRB's Final Joint-Employer Rule institutes an unworkable, overly broad set of circumstances under which a company is considered a "joint employer" under federal law. The Final Rule will cripple small businesses in numerous sectors by exposing them to frivolous litigation, eliminating jobs, and slowing wage growth across the country – just like it did when a similar standard was implemented in 2015. At a time of continued economic uncertainty, it is alarming that the NLRB has chosen to move forward on such a divisive and damaging joint employer rule.

Fortunately, in the coming weeks, members of Congress will have the opportunity to vote to nullify the NLRB's Joint-Employer Final Rule by utilizing the Congressional Review Act. By voting in favor of H.J.Res.98/S.J.Res.49, members can demonstrate that they support workers and small businesses in their states. Accordingly, we urge your support for nullifying the NLRB's Final Rule and look forward to our continued partnership.

Sincerely,
